Dr. M. K. Hildinger  
Institute für Mikrobiologie  
der Goethe-Universität  
Frankfurt / Main  
Siesmayerstrasse 70  
West Germany

Dear Dr. Hildinger:

Professor Tatum has passed on your request for pyridoxinless mutants of *E. coli* to me. I regret that we do not have any such mutants in our stock collections. However, I am forwarding your request to Professor Bernard Davis at New York University in the hope that he will be able to accommodate you better.

Yours sincerely,

Joshua Lederberg  
Professor of Genetics
